

GWPCA National Field Futurity Nomination

The first GWP Field Futurity was held in 1967 and was initially known as the Pheasant Futurity. Its goal is to promote the breeding of better bird dogs by recognizing the breeders as well as the owner of the winning dogs. Only litters bred by GWPCA members are eligible to be nominated. All owners of record must be members of the GWPCA to be eligible to complete.

Litters born between July 1 and June 30 of the following year are grouped together for the running of this once in a lifetime (the dogs) stake. Pups may become eligible to compete in the Futurity in one of three ways. First, a litter may be nominated by the breeder within 90 days of whelping. This is considered the first forfeit of \$25.00. All pups in the litter are then eligible to be re-nominated prior to their first birthday. This is the second forfeit of \$15.00. Pups from un-nominated litters may be individually nominated prior to turning six months of age or by 1yr of age. These owners pay a onetime forfeit of \$40.00 or \$80.

The Futurity is run in with the GWPCA National Field events. Entries will be mailed to owners of properly nominated dogs.

Futurity Year	Whelp Dates	Nomination Fee
2021	between 7/1/19 To 6/30/20	\$25
XXXX	between 7/1/XX To 6/30/XX	\$25
