I apologize for the likeness of this email. I have messed up my whole month's dates this month. For some reason. Time is gone by too fast. Basically I need to know what the FEAC definitively, about the ATVs on courses. Courses. If you could let me know that before the next meeting. Individually because I haven't received that info yet. If I remember correctly, what was nothing of huge interest to the club. It was kind of basic name changes. Hope you all have a great Thanksgiving!
